- Maintained high **code quality** *(Code review, SonarQube)*
- Integrated the **professional** world of software development *(Teamwork, Communication)*

Société Générale

☕ Java   Ⓐ Angular   Swagger   REST

Education

Master Software Science and technology

- University of Pierre & Marie Curie, Paris, 2017

Software engineering degree

- Higher school of computer science, Algiers, 2016

Main Stack

☕ Java	🟢 Spring
TS Typescript	Ⓐ Angular

Tech

SQL   Hibernate   Liquibase   HTML   CSS   Git   GitlabCI   Docker   Sonar   GraphQL   REST

Languages

Englsih   French   Arabic

Hobbies

Football   Gaming   Travel

Personal Projects

Proxmox Home Server

- Replacing cloud services like Google photos, Documents manager, Google Drive & more with self hosted services
- Playground for Containerization and Virtualization
- Remote connection using Tailscale

✖ Proxmox   🐳 Docker   Tailscale

Personal Blog ↗

- Used as playground for my web and blogging projects
- Learning & testing other technologies
